CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

Accidentally Killed in Todd—Two Shootings—Base Ball News—Seabee Campmeeting—Found a Lead Mine—Other Interesting Items.

Hardin's Speech of Acceptance.

"MR. CHAIRMAN AND FELLOW DEMOCRATS: With an inexpressible sense of gratitude to the friends who have so loyally—yes, so lovingly—stood by me in this race, with no ill will toward any, with a profound admiration for the devotion of the friends of my honorable opponent who have stood so gallantly by him, I accept this nomination, feeling that both love and hate are forgotten in that proper duty which we all owe to party and country.

"Differences there ever have been, differences there will be on policies profoundly important to the people. Yet a party founded upon the very bedrock of civil liberty, with its record, its history and its traditions so inspiring, can never die, and must never disintegrate. With outstretched arms, as your bondman to-day, your servant in this fight before us, I ask you to help me save old Kentucky, the only state in this Union that never did go other than Democratic, once more, with your help, will remain Democratic. I thank you gentlemen."

Clarksville will Play Next.

The Clarksville team will play the local nine at Athletic Park Thursday and Friday of this week. The village on the Cumberland has been busy for sometime getting together an aggregation and she now announces "ready." Our boys are very anxious to cross bats with the river nine, and are confident of winning both games. It is safe to say that there will be some excellent ball playing on the occasion of the series and large crowds will be expected on hand to witness both games.

Shooting at Adams' Station.

One day last week a shooting affray took place at Adams' Station, Tenn., a few miles south of Guthrie, between L. & N. R. R. Agent Edward H. Murphy and a blacksmith named Scruggs. Bad blood had existed between the men for some time and when they met Scruggs undertook to cowhide Murphy. The latter pulled his gun and shot the blacksmith in the leg producing a serious wound. They were then separated by friends.

Camp Meeting to Be Held.

It had been decided that no camp meeting would be held at Seabee this season, but the matter has been reconsidered and the parties having same in charge announce that there will be a meeting held beginning July 16. A number of good speakers have been secured for the week and it is the intention of the management to make the meeting one of the most successful ever held at that place.

Found a Lead Mine.

Capt. R. F. Bass, it is believed has "struck it rich" on his farm a few miles from Kirksmansville. He has struck a lead mine and is now actively engaged in opening it and bringing to the surface its worth. The lead bloom is visited in many places and there is scarcely a doubt about the metal being there.—Todd county Progress.

Killed in a Runaway.

Mr. W. S. Crouch, who resided near Elkton, was thrown from his buggy last Thursday afternoon by his mule becoming frightened and sustained injuries which resulted in death about four hours later. When found his body was horribly mangled. Mr. Crouch was one of the oldest and best citizens of Todd county and was well known in this city.

John Henry Howell in Hook.

John Henry Howell, the negro who fired several shots at Henry Wilson, another negro, near Pee Dee last Wednesday, was arrested in this city Saturday morning by Deputy Golay and placed behind the bars. He will have an examining trial before Judge Breathitt this week.

Ten People Shot.

During a large barbecue and dance at Edgeville, ten miles from Nashville last Thursday, there was a free fight among the men and women, and ten persons were shot, some of them seriously. No deaths are reported as yet.

Fired on the Trainmen.

Tramps fired on the crew of freight train No. 63 at Forts last Wednesday night. They were beating their way on the train and were put off by the trainmen. No one was hit. They made their escape in the darkness and have not yet been captured.

THE PUBLIC DEBT.

The Condition of a Treasury at the End of the Fiscal Year.

WASHINGTON, July 1.—The monthly statement of the public debt issued to-day shows the debt on June 30, 1895, the end of the fiscal year to have been \$1,098,913,120, exclusive of \$579,207,863 in certificates and Treasury notes in circulation offset by an equal amount of cash in Treasury. Nor does it include \$31,157,750 in bonds of the last issue which have not yet been delivered to London purchasers. The corresponding debt on June 30, 1894, \$1,016,897,816, showing an increase for the year, including bonds not yet delivered in London, \$111,173,054. The cash in the Treasury, however, has increased during the year from \$117,584,436 to \$195,240,153, a gain of \$77,655,717. The true public debt, including bonds not yet delivered, less cash in the Treasury, is therefore \$922,830,717, an increase for the year of \$33,511,337. The present debt is recapitulated as follows:

Interest bearing debt, \$716,202,060; debt on which interest has ceased since maturity, \$1,721,590; debt bearing no interest, \$338,898,469; total (exclusive of bonds not delivered), \$1,096,913,120. The cash in the Treasury is classified as follows:

Gold, \$155,893,931; silver, \$12,338,750; paper, \$125,925,883. The bonds disbursing officers' balances, etc., are \$16,903,120, making a total of \$311,061,686, against which there are demand liabilities amounting to \$815,821,533, leaving in cash balance of \$195,240,153, including \$100,000,000 bond reserve.

Another Financial Grab.

The report that the contract of the bond syndicate has been modified is verified on the authority of a prominent member of it.

Secretary Carlisle, fresh from his indorsement in his own State, granted another valuable concession to the financiers who wrung a bad bargain from the Government, which has already yielded \$9,000,000 in profits.

The original contract required the syndicate to import \$32,800,000 of foreign gold, one-half of the amount to be paid for the bonds. Although less than one-half of this sum has been imported, Mr. Carlisle has released the syndicate from the obligation to import the remainder. Domestic gold has been accepted for the \$17,000,000 of foreign gold due.

This is a striking illustration of both the instability of Wall Street and the subservience of those who come under its influence. When once the "financiers" are given control of the Government finances there is no limit to their greedy demands and to their ingenious devices to transfer the people's money to their own pockets.—Port Dispatch.

A Blow at Pembroke.

A severe wind storm visited the Pembroke neighborhood Saturday evening. Mr. W. A. Radford had two barns blown down and much damage was done to the wheat crops of Messrs. John Boxley and W. D. Garrett, many shocks being taken up by the wind and the bundles scattered for 400 yards in the road and corn fields. In some places two wheat bundles were blown into the wire fences with such force that the wires were broken. A heavy rain followed that flooded tobacco in low places and did considerable damage in that way.

Tullahoma Lost Every Game.

The Fullahema team of ball players lost all three of the games played with our local nine last week. On Thursday the score was 11 to 2; on Friday 7 to 2, and on Saturday 10 to 1. The Tennessee boys played pretty good ball, but were entirely outclassed by the Locals, and only scored 5 times in three games, while the home team put up 28 runs. About 1,000 people witnessed Thursday's game. The crowd was smaller on Friday and on Saturday rain interfered to considerable extent.

Breaks All Records.

A French conscript has broken the record by claiming exemption on the ground that he is, at the age of twenty, the father of four living children.

DEATHS.

RICHARDS.—Mr. Arthur Richards died last Wednesday near Roaring Springs, of typhoid fever, aged 22 years. Mr. Richards had been in the employ of Mr. E. H. Anderson, merchant at Newstead, for several years, as clerk, and was a fine business man and very popular with all who knew him.

COLORED.

GLASS.—John W. Glass died in the city last Thursday of consumption, aged 21 years. Deceased was a brother of E. W. Glass, the Ninth street undertaker, and was a member of Freedom lodge No. 57, U. B. F. The interment took place Friday.

Mr. C. M. Brown has returned from Hot Springs, Ark.

MORROW LEADS.

THE RESULTS OF SATURDAY'S COUNTY CONVENTION.

Morrow Carries Christian, Linn Calloway, Burnett Trigg and Watkins Lyon County —A Big and Noisy Convention.

Morrow, Christian,	- - - 12 votes.
Linn, Calloway,	- - - 8 votes.
Burnett, Trigg,	- - - 5 votes.
Watkins, Lyon,	- - - 4 votes.

The figures above show the results of the county conventions held Saturday to select delegates to the convention at Eddyville to-morrow, to nominate a Democratic candidate for Circuit judge in this the third judicial district, for the unexpired term of two years.

In only two counties were there contests for first instructions, but in all of the counties the second choice of the delegates selected cut a considerable figure, since at least two of the candidates must be retired before a nomination can be reached.

In Calloway Judge Linn carried the county easily over Judge Cook, the figures as reported by the Linn side being 479 to 247. This of course shuts the latter out of the race and makes Judge Linn the second strongest candidate in the coming convention.

Lyon county went for Judge Watkins of course. Nothing definite has been heard from the delegation, about thirty-five in number.

Trigg instructed for Col. Burnett and appointed all good Democrats as delegates. This will insure a big delegation from Trigg and makes the attitude of the delegation doubtful should Burnett go out.

THE CHRISTIAN COUNTY CONVENTION.

The convention at the Court House in Hopkinsville was the largest ever held in this city for many years. Not less than 600 voters were on hand when the convention was called to order at 2 o'clock. At least two-thirds were for Morrow, but a complication arose in organizing.

The Morrow men put forward Judge Joe McCarroll for chairman and the opposition nominated Judge W. P. Winfree. It is quite evident that the Phelps men had combined with those for Morrow who favored Linn as second choice. To add to the strength of this combination, Judge Winfree had made many personal appeals to his friends in the Morrow ranks, in a canvass prosecuted during the forenoon. The leaders of the combination were confident of electing the chairman, but they had underestimated the strength of the Morrow men, who came by the score from all over the county. A division in the court house indicated a good majority for McCarroll, although many Morrow men voted against him. The minority refused to admit their defeat, however, and demanded a count. This was ordered and tellers appointed for two different doors, but in the confusion and through some misunderstanding one set of tellers led their crowd to the yard and attempted to form lines out in the rain, while the McCarroll crowd was being counted at another door. This count showed 370 for McCarroll, but as the Winfree side had not been counted, they refused to let Judge McCarroll take the stand without another count. As soon as the uproar subsided, another count was ordered and the room was cleared a second time. The McCarroll men went out at the front door with Buckner Leavell and H. W. Tibbs as tellers. The Winfree men passed out at the rear door with George Bradley and L. C. Cravens as tellers. This count showed 356 for McCarroll and 207 for Winfree. The minority then submitted and permitted the business to proceed. George E. Gary was chosen secretary by acclamation. Judges Morrow and Phelps were placed in nomination and a division indicated that Morrow was the choice of a large majority, and upon motion of C. H. Bush his nomination was made unanimous. At this stage Jim Allensworth moved that the convention instruct for Linn as second choice and attempted to make a speech, but the Morrow men refused to hear him and finally Charlie Bush secured attention and after opposing the motion asked the crowd to vote it down. It was put and lost in a storm of noises.

The following resolution was then offered and adopted without opposition:

RESOLVED: That there be appointed a list of 12 delegates selected from the friends of the successful candidate, and one alternate for each delegate, to represent Christian county in the Eddyville convention, called to nominate a candidate for circuit judge, and that said delegates, and alternates who may become delegates, be instructed to vote as a unit for the best interests of Judge T. J. Morrow, and upon all questions coming up in said convention, and to use all honorable means to secure his nomination.
